**re: U.S. V. Mass Merchandisers, Inc.**  
**Civil Action Number 91-3094**

To whom it may concern:

Rick Ehrhart of EPA Region VI requested I write you regarding the Arkwood Consent Decree. As you may know, the judge in the Western District of Arkansas lodged the Arkwood Consent Decree on December 17, 1991 and a notice will be published in the federal register this week. We would therefore like you to keep a copy of the signed Consent Decree in your Administrative Record repository in Omaha, Arkansas.

If you would like to discuss this matter, please do not hesitate to contact me at (202) 514-4226. Thank you for your prompt assistance.

Sincerely,

Molly Hall  
Trial Attorney
